

Путеводитель по оформлению заявления на регистрацию товарного знака в США (для физических лиц)

ВАЖНАЯ ИНФОРМАЦИЯ

Начиная с 3 августа 2019 года, иностранные граждане и юридические лица, подающие заявление на регистрацию товарных знаков и не имеющие постоянной регистрации на территории США, стороны в спорах, рассматриваемых Комитетом по рассмотрению споров и апелляций по товарным знакам (Trademark Trial and Appeal Board), а также граждане Канады, подающие заявление на регистрацию товарного знака, должны иметь представителя для обращения в Ведомство по патентам и товарным знакам США (USPTO) в лице адвоката, имеющего лицензию на осуществление юридической практики на территории США.

Если вы являетесь иностранным заявителем, которому необходим юрист, имеющий лицензию на осуществление юридической практики на территории США, вы можете обратиться за помощью к нам, направив письмо на почту evgeny.krasnov@buzko.legal.

В случае если иное не указано в заявлении, ВСЯ ИНФОРМАЦИЯ, ВНЕСЕННАЯ ВАМИ В ЗАЯВЛЕНИЕ, БУДЕТ ОПУБЛИКОВАНА В ОТКРЫТОМ ДОСТУПЕ после того, как вы подадите заявление.

ОБЩАЯ ИНФОРМАЦИЯ

Настоящий Путеводитель предусмотрен для использования заявителями-физическими лицами (не применим для юридических лиц) и содержит в себе описание процесса заполнения и подачи заявления на регистрацию товарного знака в USPTO. Путеводитель описывает подачу заявления на наиболее распространенные типы товарных знаков, к которым относятся:

- словесные товарные знаки (т.е. знаки, состоящие из букв и символов, без использования каких-либо графических элементов и стилей)
- товарные знаки, которые уже имеют коммерческое использование (т.е. товары и услуги, для которых будет использоваться товарный знак, уже предоставляются потребителям на территории США), либо в отношении которых есть намерение на коммерческое использование в будущем.

Если ваш товарный знак не подпадает под эти критерии, вам не следует использовать данный Путеводитель.

Путеводитель содержит руководство по подаче заявления при помощи электронной системы TEAS Standard, которая (a) позволяет вам вводить товары и услуги в виде свободного текста, а не в виде предустановленных фраз; и (b) не требует, чтобы вы заранее знали, к каким классам относятся ваши товары и услуги. Регистрационный сбор составляет \$275 за один класс. Оплата принимается всеми основными кредитными картами. Если USPTO выявит, что ваше заявление охватывает более одного класса, вам будет предложено оплатить регистрационный взнос за каждый дополнительный класс, чтобы продолжить рассмотрение вашего заявления.

В Путеводителе используются гиперссылки для выбора ответов на вопросы, а также интерактивные кнопки «Вперед» и «Назад» внизу страницы для упрощенной навигации по материалу.

ИНСТРУКЦИИ - ОБРАЗЦЫ

Для того чтобы подать заявление на регистрацию используемого товарного знака, вам необходимо доказать, что в настоящий момент вы уже используете товарный знак для продажи товаров и услуг. Для этого вам необходимо приложить к заявлению доказательства коммерческого использования товарного знака (т.н. «образец»). Для образца есть много требований, но в основном он должен показать, как именно вы используете товарный знак для предоставления потребителям ваших товаров и услуг.

Одним из наиболее используемых видов образцов является скриншот в формате .pdf или .jpeg, на котором изображен сайт, через который можно приобрести товары или услуги. Имейте в виду, что такой скриншот должен содержать указание на возможность приобрести товар: например, кнопки «Добавить в корзину» или «Купить сейчас».

Если вы используете товарный знак для товаров, в качестве образца могут также выступать:

- изображение товара, на который нанесен товарный знак;
- бирка, содержащая товарный знак;
- товар с ярлыком, на который нанесен товарный знак;
- упаковка товара, содержащая товарный знак.

Если вы используете свой знак для услуг, ваш образец может быть изображением маркетинговых материалов, которые содержат знак и ссылаются на связанные услуги. Для более подробного описания требований к образцам смотрите сайт USPTO: <https://www.uspto.gov/trademark/laws-regulations/specimen-refusal-and-how-overcome-refusal>.

ИНСТРУКЦИИ - ЗАЯВЛЕНИЕ НА ИСПОЛЬЗОВАНИЕ ТОВАРНОГО ЗНАКА В БУДУЩЕМ

Если вы оформляете заявление на товарный знак, который коммерчески не используется в данный момент на территории США, но планируется использовать в будущем, вам не нужно предоставлять образец в момент подачи заявления. Тем не менее, если ваше заявление будет одобрено, USPTO потребует предоставить образец (т.н. «Заявление об использовании») либо предложит заполнить заявление на продление срока предоставления образца на 6 месяцев. USPTO также взимает дополнительную оплату как за заявление об использовании (\$100 за класс), так и за заявление на продление срока (\$125 за класс). Настоящий Путеводитель не содержит указаний по заполнению заявлений об использовании и заявлений о продлении срока предоставления образца.

ЮРИДИЧЕСКАЯ ИНФОРМАЦИЯ

Настоящий Путеводитель подготовлен исключительно в качестве общего руководства и не является юридической консультацией.

Путеводитель не является исчерпывающим и не освещает все возможные способы оформления заявления на регистрацию товарного знака в США. Мы не предоставляем никаких гарантий того, что ваше использование настоящего Путеводителя обеспечит регистрацию вашего товарного знака.

Информация, указанная в полях ввода данных на скриншотах, используемых в Путеводителе, предоставляется исключительно в целях иллюстрации и не является единственно верной.

Путеводитель применим исключительно к версии 7.1 электронной системы TEAS Standard и не предназначен для любых обновленных версий указанной системы подачи заявлений.

Для индивидуальной помощи вам следует обратиться к юристу, имеющему право на юридическую практику в США.

Trademark initial application form

In the Trademark Electronic Application System (TEAS), we have one initial application form with two filing options: TEAS Plus and TEAS Standard.

- The **TEAS Plus** filing option has more requirements up-front when you submit your initial application. As a result, you pay a lower fee of \$225 per class of goods/services.
- The **TEAS Standard** filing option has fewer requirements up-front. However, you must eventually meet all the application requirements and pay a higher fee of \$275 per class of goods/services.

To file the application electronically, please complete the following steps:

1. Answer the first question below to create an application form showing only sections relevant to your specific filing.
2. For help at any point, click on any underlined word on any page.
3. After answering the first wizard question, click on the CONTINUE button at bottom of the page.
4. Once in the actual form, complete all fields with a * symbol, since they are mandatory fields for TEAS filing purposes.
5. Validate the form, using the "Validate" button at the end of the form. If there are errors, return to the form to make the correction. A "Warning" may be corrected or by-passed.
6. Double-check all entries through the links displayed on the Validation page.
7. You may save your work for submission at a later time by clicking on the Save Form button at the bottom of the Validation page.
8. When ready to file, use the Pay/Submit button at the bottom of the Validation page. This will allow you to choose from three (3) different payment methods: credit card, auto deposit account, or electronic funds transfer.
9. After accessing the proper screen for payment, and making the appropriate entries, you will receive a confirmation screen if your transmission is successful. This screen will display SUCCESS! and will provide your assigned serial number.
10. An email acknowledging receipt of the submission (a filing receipt) will be sent to the correspondence email address of record.

Once you submit this application, the USPTO will not cancel the filing or refund your fee. The fee is a processing fee, which we do not refund even if we cannot issue a trademark after our substantive review.

Before the USPTO can register your mark, exactly what the mark is must be clear. You may present your [mark](#) in one of the following ways: (1) [standard characters](#), if not claiming a particular color; (2) [special form](#), if the mark includes a design or word(s) combined with a design, or is displayed in a particular font style, size, and/or color; or (3) non-visual sound mark (for trademark) include a musical score, and an audio file, as well as a detailed mark description). Do **not** upload your specimen of use (sample of actual use, e.g., a label or advertisement) here. This will be the form (if appropriate for your filing basis). **WARNING:** You may submit only **one** mark per application, if your application includes multiple marks, it may be denied a filing date on that basis.

When you click on one of the three circles presented below, and follow the specific instructions, the form will automatically create a separate page that displays the mark for which you are applying. Goods/Services Information

Instructions:

Step 1: Click on the appropriate button, *below*, to indicate whether you wish to create your listing of goods/services by: (1) taking entries directly from the *Identifications of Goods & Services* (IDManual); or (2) entering your own free-text entry. **NOTE:** Option 1 is recommended because entries in the IDManual are pre-written; however, if the entry requires customization through the insertion of free-form text, even Option 1 obviously will not ensure that the listing is accurate.

Step 2: Click on the "Add Goods/Services" button.

Step 3: After creating the complete list of goods/services for this application, you will then be able in the next section of the form to designate the filer for each listed item.

NOTE:

If you have an entry that accurately identifies your goods/services, you may email TMIDSUGGEST@uspto.gov to request that your identification be considered for inclusion in the IDManual. If not approved or you wish to file immediately, you must use the TEAS Standard form.
 2. Some entries include instructional language beneath the actual entry, within < > symbols. This language is only to assist in the proper selection of goods/services as part of the actual identification after the checked entry is inserted into the form.
 3. If you cannot access the IDManual through the "Add Goods/Services" button, try switching to another browser. If after changing browsers you still cannot access the IDManual through the "Add Goods/Services" button, please contact TEAS@uspto.gov.

WARNING: Registration Subject to Cancellation for Fraudulent Statements
You must ensure that statements made in filings to the USPTO are accurate, as inaccuracies may result in the cancellation of a trademark registration. The lack of a bona fide intention to use the mark with all goods/services included in an application, or the lack of use on all goods/services for which you claim use, could jeopardize the validity of the registration and result in its cancellation.

Section 1(a), Use in Commerce: The applicant is using the mark in commerce on or in connection with the identified goods/services. The applicant attaches, or will later submit, a JPG/PDF image file showing the mark as used in commerce on or in connection with any item in the class of listed goods/services, regardless of whether the mark itself is a word mark, a design mark, a sound mark, or a motion mark. The specimen image file may be in color, and the image must be in color if color is being claimed as a feature of the mark.

NOTE: **The specimen must show the mark as actually used in commerce.** Examples of specimens for goods include tags, labels, instruction manuals, containers, and the mark on the actual goods or packaging, or displays associated with the actual goods at their point of sale. Webpages may also be specimens for goods when they include a description of the goods associated with the mark and the means to order the goods. Examples of specimens for services include advertising and marketing materials, brochures, business signage and billboards, and website printouts that show the mark used in the actual sale, rendering, or advertising of the services.

Watch the **TMIN Specimen video** explaining what is an appropriate trademark or service mark specimen for a good or service.

NOTE: For attachment, the JPG/PDF image file(s) or sound/motion file(s) showing the specimen(s) must be on your local drive.

A specimen should NOT be: (1) the same file used in the mark section; or (2) a newly-created file that shows only the mark by itself. (Reminder: Within the early view, if you have attached an image file for a stylized/design mark or a sound/motion file, you must ensure that it only shows the mark by itself, and does not display anything that is not considered part of the actual mark, e.g., a scan of a complete business card would not be an acceptable mark image, although it may be an acceptable specimen.)
